10488 N Skeleton Canyon Rd
Portal, AZ 85632
520-558-2364

September 21, 2026

Dear Parents and Guardians,

We invite you to join us at Apache Elementary School for an important informational event regarding child development resources and community support services. This is our second event and will highlight our **Child Find** screening program and the resources available through the **McKinney-Vento Homeless Assistance Act**. Whether you are looking to ensure your young child is hitting their developmental milestones or your family is currently experiencing housing transitions, our school community is here to support you.

Event Details

- **Date:** September 29, 2026
- **Time:** 3:30 pm to 4:30 pm
- **Location:** school classroom

What You Will Learn

- **Child Find Screening:** Learn about our free services to identify and support children (ages 3 through 21) who may have developmental delays or special education needs. We offer guidance on speech, language, motor skills, and learning development.
- **McKinney-Vento Support:** Discover the protections and resources available for students experiencing unstable housing. This includes families living in shelters, motels, cars, campgrounds, or doubled-up with relatives due to economic hardship. Eligible students can receive help with immediate school enrollment.

Why You Should Attend

Every child deserves a strong start and a stable education. This event is confidential, designed to give you the tools and partnerships needed to help your child thrive.

If you have any questions, please contact our school office at 520-558-2364 or email apacheelementary@gmail.com.

We look forward to partnering with you!

Sincerely,

Loy Ann Guzman
Head teacher/Superintendent
